URBE

Urbe is a group of four urban flower box models, in which the rigid stainless steel structure and “pallet”-like base allows for changes in location, even when they are laden with soil and plants. Their external panelling with wooden slats give them a warm appearance, giving a natural air to public space.

FSC® Certified Wood | 130 cm | 360 kg | 1140 L

URBE

ORIGIN
Urbe was first installed in the mooring dock of the port of Vilanova i la Geltrú.

VERSATILITY
The Urbe collection consists of a group of four urban flower box models. Three square ones measuring 70 x 70, 100 x 100 and 130 x 130 cm, and a rectangular one measuring 200 x 45 cm, to satisfy all urban flower box needs.

MATERIAL
Rigid body made from steel plate, with a black forge, or other RAL colors, coated finish and an external FSC tropical wooden slat panelling.

INSTALLATION
The design of the support base makes it easy to lift with a forklift truck. Self-standing, with no need for anchors.
